March 2002

For Owners in CA, MA, ME, and VT only: Emissions Recall 02E18

Mr. John Sample
123 Main Street
Anywhere, CA or MA 12345

Your Vehicle Identification Number: 12345678901234567

Lincoln values you as a customer and is committed to vehicle quality and the environment. Therefore, we are voluntarily recalling certain 2000 Lincoln LS vehicles built with 3.9L V8 engines. Your vehicle may be releasing air pollutants that exceed California emission standards, which also apply in Massachusetts, Maine, and Vermont.

What is the emission concern?…

In affected vehicles, the thermostat may stick in the closed position, resulting in a higher temperature gauge reading than usual. In most cases, this condition would not affect vehicle performance. However, occasionally, the condition may cause the engine to overheat. This means that affected vehicles may not meet emissions standards. Because we are committed to your satisfaction and to the environment, we would like to service your vehicle without delay.

What Lincoln and your dealer will do...

Lincoln will replace the engine thermostat in your vehicle free of charge (parts and labor). Owners who are affected by this Emissions Recall are requested to return their vehicle to their dealer for replacement of the engine thermostat.

If you do not have this service done, your:

- Emissions warranty may be reduced.
- Vehicle may not pass emissions or smog tests that may be required in your area.
- State Department of Motor Vehicles may not renew your vehicle registration.

How long will it take?

The time needed for this repair is less than one-half day. However, due to service scheduling issues, your dealer may need your vehicle for a longer period of time.

What we are asking you to do…

Call toll-free 1-800-248-0186 and inform the Lincoln representative that you wish to have your vehicle serviced under Emission Recall 02E18. Representatives are available 7:30AM to 7:30PM Monday through Friday, and 7:45AM to 5:00PM on Saturday (times are Eastern Time).

Please have this letter with you when you call. The Lincoln representative will ask for the Vehicle Identification Number (VIN) of your vehicle. The VIN is printed on the top of this letter.

Arrangements will be made with the dealership of your choice to have parts available. The dealership will call you to schedule an appointment. If you have not heard from your dealer within two working days, call your dealer to request a service appointment. You need do nothing else except bring your vehicle to the dealership on the service date.

If you have already paid for this service…

If you paid to have this service done before the date of this letter, Lincoln is offering a full refund. For the refund, please give your paid original receipt to your dealer. To avoid delays, do not send receipts to Lincoln.

Need a free rental?…

Your dealer is authorized to provide a rental vehicle at no charge (except for fuel and insurance) while your vehicle is at the dealership for repairs.

If you have changed address or sold the vehicle…

Please fill out the enclosed prepaid postcard and mail it to us so we can update our records. If you have sold the vehicle, the information you provide on the postcard will be used to notify the new owner about this Emissions Recall.

If you have concerns….

If you have trouble getting your vehicle repaired promptly and without charge, please contact your dealership Service Manager for assistance. If you still have concerns, please contact the Lincoln Customer Relationship Center and one of our representatives will be happy to assist you.

CALL: (800) 521-4140 or
(800) 232-5952 (TDD for the Hearing Impaired)

Office Hours: (Eastern Standard Time)
Monday-Friday: 8AM – 11PM
Saturday: 8AM – 6PM

Or you may contact us through the Internet …

In order to ensure your full protection under Emissions Warranty provisions and to avoid any inconvenience when renewing your registration, it is recommended that you have your vehicle serviced as soon as possible. Failure to do so may be considered to be a lack of proper maintenance of your vehicle.

Vehicles registered in California or Massachusetts…

The State of California and the Commonwealth of Massachusetts require the completion of Emissions Recall repairs prior to vehicle registration renewal. If your Lincoln LS is registered in California or Massachusetts, it is subject to these requirements.

When your dealer completes this Emissions Recall repair, you will receive a Vehicle Emission Recall Proof of Correction certificate. **Please make sure that you receive a certificate from your dealer and that you have it with you when you renew your vehicle registration.**

It is also important for you to know that the certificate should be returned to the Department of Motor Vehicles (DMV) only if it is requested by the DMV. Otherwise, this certificate is to be held by you for your records.

In order to ensure your full protection under emissions warranty provisions and to avoid any inconvenience when renewing your registration, it is recommended that you have your vehicle serviced as soon as possible. Failure to do so could be determined as lack of proper maintenance of your vehicle.

Quality Care service is there for you all year round.

QualityCare at your service

Quality Care is the commitment of Lincoln and its dealerships to provide you with a superior service and ownership experience. While we regret the inconvenience caused by this program, we stand committed with our dealers to assist you with all of your automotive service needs. With our nationwide dealer network, we're here to ensure you receive Quality Care service so that your vehicle maintains peak performance throughout your ownership experience.

We pride ourselves on becoming the world's leading consumer company for automotive products and services. Again, we are sorry for the inconvenience. Thank you for your attention to this important matter.

Sincerely,

Ann O'Neill
