Subject: Announcing Lincoln Commitment Special Customer Handling Procedure for Certain Recalls and Owner Notification Programs

As part of our ongoing commitment to Lincoln customers, we are pleased to announce the Lincoln Commitment Special Customer Handling Procedure to provide additional dealer compensation for certain Recalls and Owner Notification Programs(ONP's) that affect Lincoln brand vehicles.

This additional compensation is being provided to allow dealers to provide personalized service designed to make the recall repair a positive experience for the Lincoln customer, many of whom are new to the Lincoln family.

Each Recall/ONP Bulletin affecting Lincoln vehicles will indicate whether the Lincoln Commitment Special Customer Handling Procedure is authorized; please note that not every Recall/ONP will qualify for this procedure and that the procedure will not be communicated to customers as a normal benefit of the Lincoln Commitment Program. Special handling and claiming instructions are included on the attached page. This program will apply only to Lincoln vehicles which have been delivered to customers (This Special Customer Handling does not apply to vehicles in stock or in daily rental fleets).

We ask you to make maximum usage of these special enhancements to the Lincoln Commitment Program when applicable. Thank you in advance for your support of this program and our commitment to surprise and delight our Lincoln customers.
