Ford Motor Company

Service Recall Bulletin

May 2000

TO: All Lincoln Mercury Dealers

SUBJECT: **Emissions Recall 00E08:** Certain 2000 Model Year Lincoln LS Vehicles – Fuel Transfer Hose and Clamp Assembly Replacement

AFFECTED VEHICLES

All 2000 model year Lincoln LS vehicles built at the Wixom Assembly plant from August 18, 1998 through August 25, 1999.

REASON FOR RECALL

The fuel transfer hose and clamp assembly, incorporated on the Fuel Delivery Module, may develop holes or cracks at the hose clamp location, causing a loss of fuel pressure. Prolonged use of the vehicle with a leaking hose and clamp assembly (internal to the fuel tank), may lead to diminished engine performance and in extreme cases, a no start condition.

SERVICE ACTION

Dealers are directed to replace the fuel transfer hose and clamp assembly, which is incorporated on the Fuel Delivery Module.

ATTACHMENTS

Attachment I:	Administrative Information
Attachment II:	Labor Allowances and Parts Ordering Information
Attachment III:	Technical Information

QUESTIONS?

Claims Information:	1-800-423-8851
Other Recall (Dealers Only) Questions:	1-800-325-5621

Sincerely,

Ann O'Neill

Vehicle Service and Programs

Emissions Recall 00E08
Certain 2000 Model Year Lincoln LS Vehicles – Fuel Transfer Hose and Clamp Assembly Replacement

OASIS

You must use OASIS to determine if a vehicle is eligible for this recall.

PROMPTLY CORRECT

Promptly correct all affected vehicles on your dealer VIN list (if provided) or the VIN list in the Ford Dealer Consolidated Communicator (FDCC) and other eligible vehicles, which are brought to your dealership.

DEALER-OWNER CONTACT

- Immediately contact any affected owner whose name is not on the list.
- Give the owner a copy of the Owner Letter and schedule a service date.

REGIONAL CONTACT

Advise regional office if:

- an owner cannot be contacted.
- an owner does not make a service date.

CLAIMS SUBMISSION

Enter claims using DWE. See ACESII manual.

PARTS RETENTION

Follow the provisions of the Warranty and Policy Manual for "Parts Retention and Return Procedures".

OWNER REFUNDS

Ford Motor Company will only refund owner-paid repairs made before the date of the owner letter (or after the date of the owner letter if an emergency repair was made away from the servicing dealer.) Refer to ACESII manual for refund information.

RENTAL CARS

Ford will pay for a loaner or rental vehicle except for fuel, which will be at the owner's expense. Rentals should be provided only while the vehicle is at the dealership for the hose and clamp assembly replacement. Follow Extended Service Plan (ESP) guidelines for rental dollar amounts. Enter the word "LOANER" plus the number of days the vehicle was used in the Miscellaneous Expense area of the recall claim.

Emissions Recall 00E08
Certain 2000 Model Year Lincoln LS Vehicles – Fuel Transfer Hose and Clamp Assembly Replacement

LABOR ALLOWANCES

Description	Labor Operation	Labor Time
Replace Fuel Hose and Clamp Assembly	00E08B	1.2 Hours
Administrative Allowance	Misc. Expense Code "ADMIN"	0.1 Hours

PARTS REQUIREMENTS

Parts Ordering Information

Parts will not be direct shipped for this recall. Order your parts requirement through normal order processing channels as noted below:

Stock & Interim Orders	Effective immediately	Normal order process
Emergency Orders	First 30 days after launch	Call 1-800-325-5621
Emergency Orders	31 days after launch	Normal order process

Part Number	Description	Quantity
YW4Z-9A383-AA	Hose Kit	1
FPS-8262	Authorized Modification Label	1

NOTE: The instruction sheet included in Hose Kit, YW43-9A383-AA is incorrect. Discard the "AA" copy of the instructions included with the Hose Kit. Use the instructions included with your FDCC mail (identified as SKYW43-9A383-AB) or use a copy of the Attachment III, which was included with the copy of the dealer bulletin.

DOR/COR number 50164 identifies parts ordered for this campaign through the Recall Hotline (1-800-325-5621).

DEALER PRICE

For latest prices, refer to:

- DOES II
- Updated Price Book

EXCESS STOCK RETURN

Excess stock returned for credit must have been purchased from Ford Customer Service Division in accordance with Policy Procedure Bulletin 4000.

Emissions Recall 00E08 – Owners in Federal Locations, U.S Territories, Mexico and Canada (Kit CC, Kit EE and Kit FF)

Mr. John Sample
123 Main Street
Anywhere, USA 12345

Your Vehicle Identification Number: 12345678901234567

Ford Motor Company values you as a customer and we also value our commitment to vehicle quality and the environment. We are therefore voluntarily recalling certain 2000 model year Lincoln LS vehicles to replace a fuel transfer hose and clamp assembly.

What the emissions concern is…

The fuel transfer hose and clamp assembly on the Fuel Delivery Module in the fuel tank may develop holes or cracks at the hose clamp location causing reduced fuel pressure. Prolonged use of the vehicle with a leaking hose and clamp assembly (internal to the fuel tank), may lead to diminished engine performance and in extreme cases, a no start condition.

What Lincoln and your Lincoln dealer will do to resolve the emissions concern…

At no cost to you, your Lincoln dealer will replace the fuel transfer hose and clamp assembly to correct this condition. This service should have no effect on your vehicle except to prevent damage to the fuel transfer hose.

If you do not have this service done:

- Your emissions warranty may be reduced.
- Your Lincoln LS may not pass emissions or smog tests that may be required in your area.
- You may experience reduced engine performance or a no start condition.

How long will it take? The time needed to repair your Lincoln LS is less than one-half day. However, due to service scheduling issues, your dealer may need your vehicle for a longer period of time.

If you need a loaner vehicle… Your dealer is authorized to provide a free loaner vehicle (except for fuel) while your vehicle is at the dealership for the fuel transfer hose and clamp assembly replacement.

What we are asking you to do… Call your dealer without delay. Ask for a service date for Emissions Recall 00E08 and if parts are in stock.

If your dealer does not have the parts in stock, they can be ordered before scheduling your service date. Parts would be expected to arrive within 7 days after the order is placed.

When you bring your Lincoln LS in, show your dealer this letter. If you misplace this letter, your dealer will still do the work, free of charge.

If you've already paid for this service… If you paid to have this service done before the date of this letter, Ford Motor Company is offering a full refund. For the refund, please give your paid original receipt to your Lincoln dealer. To avoid delays, do not send receipts to Ford Motor Company.

If you've changed address or sold the vehicle… If you have changed your address or sold your Lincoln LS, please fill out the enclosed prepaid postcard and mail it to us.

If the repair offered by this recall is not made promptly and without charge… If you have trouble getting your vehicle repaired promptly and without charge, talk to the dealer service manager. You may also contact the Lincoln Customer Assistance Center by calling the following toll free phone number or by writing to the Lincoln Customer Assistance Center, P.O. Box 6248, Dearborn, Michigan 48121.

CALL: (800) 521-4140 or
(800) 232-5952 (TDD for the Hearing Impaired)

Office Hours: 8am - 11pm (Monday-Friday) ET
9am - 6pm (Saturday) ET.

You may also contact us through the internet at www.ownerconnection.com. Our current response time to internet inquiries is approximately three business days.

Please have your vehicle serviced promptly to maintain full emission warranty coverage.

Quality Care is the commitment of Ford Motor Company and its dealerships to provide you with a superior service and ownership experience. While we regret the inconvenience caused by this program, we stand committed with our dealers to assist you with all of your automotive service needs. With our nationwide dealer network, we're here to ensure you receive Quality Care service so that your vehicle maintains peak performance throughout your ownership experience.

Lincoln is conducting this action as part of our ongoing efforts to exceed owner expectations and maintain consumer confidence in our products. We pride ourselves on becoming the world's leading consumer company for automotive products and services. Thank you for your attention in this important matter. And once again, we thank you for choosing the Lincoln LS.

Sincerely,

Ann O'Neill
Director
Vehicle Service and Programs

June 2000

Emissions Recall 00E08 – Owners of CA Certified Vehicles, Including MA Owners (Kit DD)

Mr. John Sample
123 Main Street
Anywhere, CA or MA 12345

Your Vehicle Identification Number: 12345678901234567

Ford Motor Company values you as a customer and we also value our commitment to vehicle quality and the environment. We are therefore voluntarily recalling certain 2000 model year Lincoln LS vehicles to replace a fuel transfer hose and clamp assembly. Your vehicle may be releasing air pollutants that exceed California Emissions Standards.

What the emissions concern is…

The fuel transfer hose and clamp assembly on the Fuel Delivery Module in the fuel tank may develop holes or cracks at the hose clamp location causing reduced fuel pressure. Prolonged use of the vehicle with a leaking hose and clamp assembly (internal to the fuel tank), may lead to diminished engine performance and in extreme cases, a no start condition.

What Lincoln and your Lincoln dealer will do to resolve the emissions concern…

At no cost to you, your Lincoln dealer will replace the fuel transfer hose and clamp assembly to correct this condition. This service should have no effect on your vehicle except to prevent damage to the fuel transfer hose.

If you do not have this service done:

- Your emissions warranty may be reduced.
- Your Lincoln LS may not pass emissions or smog tests that may be required in your area.
- Your state Department of Motor Vehicles may not renew your vehicle's registration.
- You may experience reduced engine performance or a no start condition.

How long will it take? The time needed to repair your Lincoln LS is less than one-half day. However, due to service scheduling issues, your dealer may need your vehicle for a longer period of time.

If you need a loaner vehicle… Your dealer is authorized to provide a free loaner vehicle (except for fuel) while your vehicle is at the dealership for the fuel transfer hose and clamp assembly replacement.

What we are asking you to do… Call your dealer without delay. Ask for a service date for Emissions Recall 00E08 and if parts are in stock.

If your dealer does not have the parts in stock, they can be ordered before scheduling your service date. Parts would be expected to arrive within 7 days after the order is placed.

When you bring your Lincoln LS in, show your dealer this letter. If you misplace this letter, your dealer will still do the work, free of charge.

If you've already paid for this service… If you paid to have this service done before the date of this letter, Ford Motor Company is offering a full refund. For the refund, please give your paid original receipt to your Lincoln dealer. To avoid delays, do not send receipts to Ford Motor Company.

If you've changed address or sold the vehicle… Please fill out the enclosed prepaid postcard and mail it to us if you have changed address or sold the vehicle.

If the repair offered by this recall is not made promptly and without charge… If you have trouble getting your vehicle repaired promptly and without charge, talk to the dealer service manager. You may also contact the Lincoln Customer Assistance Center by calling the following toll free phone number or by writing to the Lincoln Customer Assistance Center, P.O. Box 6248, Dearborn, Michigan 48121.

CALL: (800) 521-4140 or
(800) 232-5952 (TDD for the Hearing Impaired)

Office Hours: 8am - 11pm (Monday-Friday) ET
9am - 6pm (Saturday) ET.

You may also contact us through the internet at www.ownerconnection.com. Our current response time to internet inquiries is approximately three business days.

In order to ensure your full protection under Emissions Warranty provisions and to avoid any inconvenience when renewing your registration, it is recommended that you have your vehicle serviced as soon as possible. Failure to do so may be considered to be a lack of proper maintenance of your vehicle.

Vehicles registered in California or Massachusetts…

The State of California and the Commonwealth of Massachusetts require the completion of emissions recall repairs prior to vehicle registration renewal. Your Lincoln LS is subject to these requirements.

When your dealer completes this recall repair, you will receive a Vehicle Emission Recall Proof of Correction certificate. **Please make sure that you receive a certificate from your dealer and that you have it with you when you renew your vehicle.**

It is also important for you to know that the certificate should be returned to the Department of Motor Vehicles (DVM) only if it is requested by the DMV. Otherwise, this certificate is to be held by you for your records.

In order to ensure your full protection under emissions warranty provisions and to avoid any inconvenience when renewing your registration, it is recommended that you have your vehicle serviced as soon as possible. Failure to do so could be determined as lack of proper maintenance of your vehicle.

QualityCare at your service

Quality Care is the commitment of Ford Motor Company and its dealerships to provide you with a superior service and ownership experience. While we regret the inconvenience caused by this program, we stand committed with our dealers to assist you with all of your automotive service needs. With our nationwide dealer network, we're here to ensure you receive Quality Care service so that your vehicle maintains peak performance throughout your ownership experience.

Lincoln is conducting this action as part of our ongoing efforts to exceed owner expectations and maintain consumer confidence in our products.
