September 2000

TO: All Ford Dealers

SUBJECT: Owner Notification Program 00B47: Certain 2000 Model Year F-53 Motorhome Chassis – VIN Plate Error

OASIS : Yes
OWNER LIST: No
PARTS RETURN: Yes (Removed VIN plate must be returned).
PROGRAM TERMS: This program will be in effect until August 31, 2002, regardless of Mileage.

AFFECTED VEHICLES

Certain 2000 model year F-53 motorhome stripped chassis built at TruMack assembly plant from March 20, 2000 through April 4, 2000.

REASON FOR PROGRAM

The affected vehicles may have an error in the 4th and 9th character of the Vehicle Identification Number (VIN) plate. If the VIN plate error is not corrected, the owner may have difficulty with vehicle registration, insurance, and agencies that use the vehicle's VIN for identification purposes.

SERVICE ACTION

Most of these motorhomes are in transit between the body builders and dealers. In an effort to service these vehicles before they reach the customer, Ford Motor Company has contracted the services of Engineering Analysis Associates, Inc.(EAA). They will locate the motorhome, coordinate the VIN replacement procedure, witness the replacement, collect all of the erroneous VIN plates, and maintain appropriate records.

If any of the affected vehicles are in the possession of the owner, EAA will supply Ford Motor Company the owner's name, address and coordinate the repair.

NOTE: If one of the affected vehicles is at your dealership, please call 1-800-248-0186 to arrange for VIN plate replacement. A labor allowance has been included in Attachment II for vehicles at your dealership.

Certain 2000 Model Year F-53 Motorhome Chassis
VIN Plate Error

LABOR ALLOWANCES

Description	Labor Operation	Labor Time
Locate and replace VIN plate	00B47B	0.3 Hours

PARTS REQUIREMENTS

Parts Ordering Information

From now until August 31, 2002, VIN plate replacement may be arranged by calling 1-800-248-0186. Please be prepared to provide the operator with VIN number taken from the Safety Certification Label located on the driver's door.

NOTE: Do not use the embossed VIN plate to obtain the Vehicle Identification Number. The embossed VIN plate contains the incorrect number.

Your Vehicle Identification Number: 12345678901234567

Ford Motor Company is providing a no-charge service, Program Number 00B47, to owners of certain 2000 model year F-53 Motorhome chassis in which there is a VIN plate error.

Reason For This Program

The affected vehicles may have an error in the 4th and 9th character of the Vehicle Identification Number (VIN) plate. If the VIN plate error is not corrected, you may have difficulty with vehicle registration, insurance, and other agencies that use your vehicle's VIN for identification purposes.

What *Ford Motor Company* will do…

Ford Motor Company has contracted the services of EAA (Engineering Analysis Associates, Inc.) to administer this program. An EAA associate will remove the incorrect VIN plate from your Motorhome and install the correct VIN plate in the same location from where it was removed. The VIN plate that is in error will be destroyed.

This no-charge program will be in effect until August 31, 2002, regardless of mileage.

What we are asking you to do…

To coordinate the replacement of the VIN plate, please call 1-800-248-0186 without delay. Inform the operator that you are calling in regard to Owner Notification Program 00B47. Also, provide the operator with your Vehicle Identification Number **(located at the beginning of this letter)**.

How long will it take….

The operator will provide the above information to EAA. An EAA associate in your area will then contact you and make arrangements to have the VIN plate replaced.

Our goal is to perform this repair as quickly as possible at a location that is convenient for you. The time needed for this repair is less than one-half day. However, due to service scheduling issues, your EAA associate may need your vehicle for a longer period of time.

If you have concerns…

If you have trouble getting your vehicle repaired promptly and without charge, please call the Motorhome Customer Assistance Center toll free at 1-800-444-3311 and one of our representatives will be happy to assist you:

Quality Care service is there for you all year round.

QualityCare™ at your service

Quality Care is the commitment of Ford Motor Company and its dealerships to provide you with a superior service and ownership experience. While we regret the inconvenience caused by this program, we stand committed with our dealers to assist you with all of your automotive service needs. With our nationwide dealer network, we're here to ensure you receive Quality Care service so that your vehicle maintains peak performance throughout your ownership experience.

We pride ourselves on becoming the world's leading consumer company for automotive products and services. Again, we are sorry for the inconvenience. Thank you for your attention to this important matter.

Sincerely,

Ann O'Neill
