TO: All Ford and Lincoln Mercury Dealers

SUBJECT: DEMONSTRATION / DELIVERY HOLD: Safety Recall 02S31:
Certain 2000 through 2002 Model Year F650 and F750 Medium-Duty Vehicles Equipped with Air Brakes and the Trailer Package - Tractor Protection Valve

REF: Dealer Announcement dated May 10, 1999, Low Volume Programs

AFFECTED VEHICLES

Certain 2000 through 2002 model year F650 and F750 medium-duty vehicles built at the Cuautitlan Assembly Plant from May 16, 2000 through December 11, 2001 equipped with air brakes that include the optional trailer package.

NON-COMPLIANCE

In affected vehicles, the air brake lines connected to the tractor protection valve are misrouted. A leak in the primary air circuit or secondary air circuit may result in a reduction, or loss of the trailer brakes effectiveness as a result. FMVSS 121 Section 5.7.3 specifies that application of the trailer's brakes must be possible in the event that there is a single failure in the system.

SERVICE ACTION

Before demonstrating or delivering any of the vehicles involved in this Safety Recall, the dealer must route the air lines attached to the tractor protection valve per Attachment III. This must be done on all of the affected vehicles in your inventory as well as vehicles that have been delivered to customers.

PLEASE NOTE

Correct all vehicles in stock before delivery. Federal law requires dealers to complete any outstanding Safety Recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to $5,000 per vehicle.

Safety Recall 02S31

Mr. John Sample
123 Main Street
Anywhere, USA 12345

Your Vehicle Identification Number (VIN): 12345678901234567

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that certain 2000 through 2002 F-650 and F-750 medium-duty vehicles with air brakes and the trailer package do not conform to the requirements specified in Federal Motor Vehicle Safety Standard (FMVSS) 121 Section 5.7.3.

What the issue is …

On your truck, the air brake lines connected to the tractor protection valve are misrouted. A leak in the primary air circuit or secondary air circuit may result in a reduction, or loss of the trailer brakes effectiveness. FMVSS 121 Section 5.7.3 specifies that application of the trailer's brakes must be possible in the event that there is a single failure in the system.

What Ford Motor Company and your dealer will do ...

Ford Motor Company will repair your vehicle free of charge (parts and labor). At no charge, your dealer will reroute the air lines connected to the tractor protection valve.

How long will it take?

The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

What we are asking you to do …

Call toll-free 1-800-248-0186 and inform the Ford representative that you wish to have your vehicle serviced under Safety Recall 02S31. Representatives are available 7:30AM to 7:30PM Monday through Friday, and 8:00AM to 3:00PM on Saturday (times are Eastern Time).

Please have this letter with you when you call. The Ford representative will ask for the Vehicle Identification Number (VIN) of your vehicle. The VIN is printed on the top of this letter.

Arrangements will be made with the dealership of your choice to have parts available. The dealership will call you to schedule an appointment. If you have not heard from your dealer within two working days, call your dealer to request a service appointment. You need do nothing else except bring your vehicle to the dealership on the service date.

If you have already paid for this service …

If you paid to have this service done before the date of this letter, Ford is offering a refund. To receive the refund, please give your paid original receipt to your dealer. To avoid delays, do not send receipts to Ford Motor Company.

If you have changed address or sold the vehicle …

Please fill out the enclosed prepaid postcard and mail it to us so we can update our records. If you have sold the vehicle, the information you provide on the postcard will be used to notify the new owner about this Safety Recall.

If you have concerns …

If you have trouble getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance. If you still have concerns, please contact the Ford Motor Company Customer Relationship Center and one of our representatives will be happy to assist you:
