Ford Motor Company
P. O. Box 1904
Dearborn, Michigan

October 2001

TO: All Ford and Lincoln Mercury Dealers

SUBJECT: Customer Satisfaction Program 01B83: Certain 2000 and 2001 F-150 Model Vehicles with Heavy Duty Electrical/Cooling Group – Publications Error

PROGRAM TERMS:

- **OPTION 1**: $100 Check (sent directly to the customer) – Valid for 60 days from the date of check issuance
- **OPTION 2**: $500 Owner Loyalty Certificate (OLC) – Valid until December 31, 2002 (Transferable only to family members in the owner's household)
- **OPTION 3**: Radiator Modification – Valid for 60 days from the date of voucher issuance

REF: Dealer Announcement dated May 10, 1999, Low Volume Programs

AFFECTED VEHICLES

Certain 2000 through 2001 model year F-150 vehicles equipped with the Heavy Duty Electrical/Cooling Group (Option Codes 531 and 535) not including the 7700 lbs payload group option (option code 627). Only vehicles currently owned/leased by the original owner/lessee who purchased or leased their vehicle prior to May 5, 2001, are affected by this program. These vehicles were built at the following locations:

- Norfolk Assembly Plant
- Kansas City Assembly Plant
- Ontario Truck Assembly Plant
- Cuautitlan Assembly Plant

REASON FOR THIS CUSTOMER SATISFACTION PROGRAM

The sales literature produced for the affected vehicles contained an error. The error incorrectly described F-150 vehicles with the Heavy Duty Electrical/Cooling Group option as including an "upgraded" radiator. Engineering specifications require super-cooling capability for these vehicles and an "upgraded" radiator was not necessary to meet these requirements. In the interest of customer and dealer satisfaction, Ford Motor Company has decided to take action in the form of Customer Satisfaction Program 01B83. All sales literature in print and on the Internet was corrected on May 5, 2001.

OPTIONS OFFERED TO CUSTOMERS

Original customers who still own or lease the affected vehicles will be sent a letter that outlines the concern and the details of the program. Customers can select one (1) of the following options:

- **Option 1** – Cash the $100 check enclosed in the customer letter
- **Option 2** - Return the check to F-150 Program Headquarters and in return, the customer will receive a $500 Owner Loyalty Certificate (OLC) for the purchase of a new Ford car or truck. OLC Program Number 3228 (Lincoln Mercury vehicles excluded)

© Copyright 2001 Ford Motor Company

- **Option 3** - Return the check to Radiator Program Headquarters and in return, the customer will receive a voucher for radiator replacement. The voucher, which includes the customers name, address and VIN, will be sent to the customer when a radiator is available for their vehicle

SERVICE ACTION REQUIRED FOR CUSTOMERS WHO CHOOSE OPTION 3

For customers who choose Option 3, dealers will install a 36mm, 7700 Lbs Option Package radiator in-place of the 26mm radiator specified for this application.

NOTE: Since the radiators currently installed in these vehicles meet Ford Motor Company's engineering criteria for super-cooling, the modification to install the 36mm 7700 Lbs Option Package radiator in included vehicles **is not required for any climate, nor does it increase the vehicles payload or towing capacity.** Because the 7700 lb. Payload Group radiator is produced in limited quantities, there is a potential that the customer may be required to wait several months before a replacement radiator is available.

OPTION 3 HANDLED AS LOW VOLUME PROGRAM

Option 3 of this Customer Satisfaction Program is being processed as a Low Volume Program. This type of field action was announced in an All-Dealer letter dated May 10, 1999.

Owners who choose Option 3 will return the check to Radiator Program Headquarters. Radiator Program Headquarters will issue a radiator modification voucher when a radiator is available. Once the customer receives the voucher they will be instructed to contact the Program Coordination Center to arrange for this service. We will advise you via the Customer Data Link (CuDL) of the customers that chose your dealership to perform the service provided by this Customer Satisfaction Program. Parts will be ordered for you by the Program Coordination Center. Once receiving notification, you are requested to contact the customer and arrange for this service. (Note: the Program Coordination Center will advise customers that they will hear from you, the dealership, within the next two business days).

OASIS

OASIS will not be activated for this program.

NOTE: Dealers must only perform the radiator modification when presented a radiator modification voucher from the customer. Radiator modification vouchers will include the customer's name, address and the VIN of their vehicle that must match the VIN of the vehicle that is to be modified.

DEALER-OWNER CONTACT

Affected vehicles will not appear on your dealer Online Involved Unit Listings available on QCDealer.com. **Unsold units and units sold after May 5, 2001 are not eligible for this program.**

When you receive notification through Customer Data Link (CuDL), you should contact the customer and arrange for this service. Please note that our Low Volume Program Coordination Center will advise customers that they will hear from you within the next two business days. For more information, see "Low Volume Announcement Letter" dated May 10,1999.

CLAIMS PREPARATION AND SUBMISSION

- Enter claims using DWE
- Refer to ACESII manual for claims preparation and submission information
- **Claiming information will be provided on the Radiator Modification Voucher the customer must present prior to modification of their vehicle.**
- Be sure to add the part number to the claim in ACESII

NOTE: Claims will not be paid unless there is a radiator voucher associated with the customer's vehicle. Claiming instructions are included on the customer's radiator modification voucher they received from F-150 Radiator Program Headquarters when they chose Option 3.

OWNER REFUNDS

Ford Motor Company will only refund owner-paid repairs made **before** the date of the Owner Letter. Refer to ACESII manual for refund information.

Program Code:	01B83
Misc. Expense:	REFUND

LABOR ALLOWANCES

Claiming instructions are provided on the customer's Option 3 Radiator Modification Voucher. Use the information provided there to complete your claim. Claims that do not have a radiator modification voucher associated with them will not be paid. The customer must present their voucher for radiator replacement at the time of the repair and the voucher must be attached to the claim.

PARTS REQUIREMENTS

CUSTOMER VEHICLES –

A radiator will be direct shipped to your dealership for customers requesting option 3, the radiator replacement, according to the procedures established for "Low Volume Programs".

STOCK VEHICLES -

Unsold vehicles are not eligible for this program.

NON-CUSTOMER SATISFACTION PROGRAM REPAIRS – Dealerships must contact the Low Volume Program Coordination Center at 1-800-248-0186 to arrange for repair/crash parts for the first 90 days following launch.

Certain 2000 and 2001 Model Year F-150 Vehicles with the Heavy Duty Electrical/Cooling Group Option - Publications Error

1. Verify that the VIN on the Radiator Modification Voucher (attached to repair order) matches the vehicles VIN. (See Example on www.QCDealer.com)

2. If the number matches, replace the radiator. Please refer to **SECTION 303-03A: Engine Cooling** in the 2000 or 2001 F-150 Workshop Manual for the replacement procedure.

3. Be sure the Radiator Modification Voucher is attached to the repair order and filed in accordance to the record keeping policy published in the Warranty and Policy manual.

Ford Motor Company

CUSTOMER SATISFACTION PROGRAM 01B83
RADIATOR MODIFICATION VOUCHER

This voucher is for radiator modification for the vehicle and customer indicated below:

Joseph Snow
1313 Mockingbird Lane
Allen Park, MI 48101

VIN: 2FTEF13XDA23451
Expiration Date: 03/07/2002

Dear F150 Owner or Lessee,

Call toll-free 1-800-248-0186 and inform the Ford representative that you wish to have your radiator replaced under Customer Satisfaction Program 01B83. Representatives are available 7:30AM to 7:30PM Monday through Friday, and 8:00AM to 3:00PM on Saturday (times are Eastern Time).

Please have this voucher with you when you call. The Ford representative will ask for the serial number of your vehicle. The VIN number and expiration date are printed on the lower left of this voucher.

Arrangements will be made with the dealership of your choice to have your radiator available. The dealership will call you to schedule an appointment. If you have not heard from your dealer within two working days, call your dealer to request a service appointment. You need do nothing else except bring your vehicle, together with the voucher, to the dealership on the service date.
