TRANSMISSION—CD4E—SERVICE PROCEDURE FOR ORANGE TAGGED TRANSMISSIONS	Article No. 00-9-2

FORD: 2001 ESCAPE

ISSUE

Selected transmissions will have an orange "Prior To Repair" tag (Figure 1) on the transmission fluid pan. This orange tag refers to this TSB which includes specific instructions to be followed prior to replacement and/or repair and provides a toll-free number to be called by all U.S and Canadian dealers (not applicable outside the U.S and Canada).

ACTION

Ford Motor Company is requesting dealership technicians to call them prior to performing any repairs on the Escape CD4E transmission. Please contact Ford Motor Company at (1-800-454-1144) or direct dial 1-513-732-4472 between the hours of 7:00 AM and 4:00 PM EST, Monday to Friday for transmission-related concerns on Escape vehicles built between 5/22/2000 and 12/31/2000. This program will be in operation from 5/22/2000 to 12/31/2001. If you are asked to leave a message and don't receive a return call in 15 minutes, proceed with normal repairs.

SERVICE PROCEDURE

Have the following information ready before calling (1-800-454-1144 or 1-513-732-4472).

1. Dealership P & A code.
2. VIN.
3. Odometer reading.
4. 8-digit transmission I.D. number (located on main control cover bar code label).
5. Detailed description of customer concern.
6. Did the technician duplicate the customer concern?
7. What were the preliminary diagnostic checks per the Workshop Manual?
8. If appropriate for the concern, provide line pressure and solenoid resistance information.

OTHER APPLICABLE ARTICLES: NONE
WARRANTY STATUS: INFORMATION ONLY
OASIS CODES: 501000, 502000, 503000, 503300, 504000
