SUBJECT: DEMONSTRATION / DELIVERY HOLD: Safety Recall 00S24: Certain 2000 Model Year F-Super Duty motorhome stripped chassis (model code F-53) – Brake Pedal Position Switch Wire Harness Routing

AFFECTED VEHICLES

Certain 2000 model year F-Super Duty motorhome stripped chassis (model code F53) built at the TruMack Assembly Plant from November 9, 1999 through June 29, 2000.

SAFETY CONCERN

On some of the affected vehicles, the wire harness connected to the Brake Pedal Position Switch (BPPS) may be routed near or against moving parts of the steering column that could lead to a short or an open circuit. Some of the potentially affected circuits include the brake lights, anti-lock brakes, speed control, shift lock actuator (will not release from PARK), and speed control.

SERVICE ACTION

The dealer will inspect the BPPS harness for damage and routing. If any wires are damaged, the dealer will follow approved procedures for wire repair. If the harness is not routed properly, the dealer will route the harness according to the technical instructions provided in this bulletin. This service action must be completed before demonstrating or delivering any of the vehicles involved in this recall.

OASIS

You must use OASIS to determine if a vehicle is eligible for this recall.

PLEASE NOTE

Correct all vehicles in stock before delivery. Federal law requires dealers to complete any outstanding safety recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to $1,100 per vehicle.

PROMPTLY CORRECT

Promptly correct all affected vehicles on your dealer VIN list which you will receive in the Ford Dealer Consolidated Communicator (FDCC). Also, correct other eligible vehicles which are brought to your dealership.

DEALER-OWNER CONTACT

Immediately contact any affected owner whose name is not on the list. Give the owner a copy of the Owner Letter and schedule a service date.

REGIONAL CONTACT

Advise regional office if an owner:

- cannot be contacted.
- does not make a service date.

CLAIMS PREPARATION AND SUBMISSION

- Enter claims using DWE.
- Refer to ACESII manual for claims preparation and submission information.

OWNER REFUNDS

Ford Motor Company will only refund owner-paid repairs made before the date of the Owner Letter (or after the date of the Owner Letter if an emergency repair was made away from the servicing dealer.) Refer to ACESII manual for refund information.

RENTAL CARS

Rental vehicles are not approved for this program.

Your Vehicle Identification Number: 12345678901234567

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that a defect that relates to motor vehicle safety exists in certain 2000 Model Year F-Super Duty motorhome stripped chassis (model code F-53).

We apologize for this situation and want to assure you that with your assistance we will correct this condition. Our commitment, together with Ford dealers, is to provide you with the highest level of service and support possible.

What the safety issue is…

On some of the affected vehicles, the wire harness connected to the Brake Pedal Position Switch (BPPS) may be routed near or against moving parts of the steering column that could lead to a loss of brake lamp function. Inoperative brake lamps could increase the risk of a vehicle crash.

What Ford Motor Company and your dealer will do...

Ford Motor Company will repair your vehicle free of charge (parts and labor).

The dealer will inspect the BPPS harness for damage and routing. If any wires are damaged, the dealer will follow approved procedures to repair the wiring. If the harness is not routed properly, the dealer will route the harness.

How long will it take?

The time needed for this repair is less than one-half day. However, due to service scheduling issues, your dealer may need your vehicle for a longer period of time.

What we are asking you to do…

Call your dealer without delay. Ask for a service date for Safety Recall 00S24.

When you bring your vehicle in, show the dealer this letter. If you misplace this letter, your dealer will still do the work, free of charge.

If you've already paid for this service…

If you paid to have this service done before the date of this letter, Ford is offering a full refund. For the refund, please give your paid original receipt to your dealer. To avoid delays, do not send receipts to Ford Motor Company.

If you've changed address or sold the vehicle…

Please fill out the enclosed prepaid postcard and mail it to us if you have changed address or sold the vehicle.

If you have concerns…

If you have trouble getting your vehicle repaired promptly and without charge, please call the Motorhome Customer Assistance Center toll free at 1-800-444-3311 and one of our representatives will assist you.

You also may send a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, S. W., Washington, D. C. 20590 or call the toll free Auto Safety Hotline 1-800-424-9393 (Washington, D. C. area residents may call 1-202-366-0123).

Quality Care service is there for you all year round.
