Program Number: 01B82
October 2001

Your Vehicle Identification Number: 12345678901234567

Dear Mr. Sample,

As the owner of an F-Series truck, you know how it feels to take on rough roads and to cover rugged landscape. But no matter how fierce conditions get outside of your vehicle, you and your passengers should always be comfortable inside the cab. That's why Ford has taken great care to include the highest quality seats available.

Recently, it has come to our attention that your vehicle may have been shipped with manual seat tracks on the front passenger seat, rather than power seat tracks. Of course, your passenger seat is still the same high-quality model that should have been included with your truck. However, power and heat options were not included, and we would like to install them for you right away.

What Ford Will Do For You

Customer satisfaction is our top priority. That's why we are offering to add power and heat options to your front passenger seat, at no extra cost. The current (manual) front passenger seat track will be replaced with a power seat track, and all parts necessary to support the additional options will be installed.

What We Are Asking You To Do

Call toll-free at (800) 248-0186 and inform a Ford representative that you wish to have your vehicle serviced under Owner Notification Program 01B82. Representatives are available from 7:30 a.m. to 7:30 p.m. Monday through Friday and 8:00 a.m. to 3:00 p.m. on Saturday (Eastern Standard Time).

Please have this letter with you when you call. The Ford representative will ask for your Vehicle Identification Number (located at the top of this letter).

Arrangements will be made with the dealership of your choice to have parts available. The dealership will then call you to schedule an appointment. If you have not heard from your dealer within two business days, call your dealer to request a service appointment. You need do nothing else except bring your vehicle to the dealership on the service date.

Any Questions?

Please contact us at www.ownerconnection.com if you have any questions about the information included in this letter.

You may also contact our Customer Relationship Center, and one of our representatives will be happy to assist you.

CALL: (866) 436-7332
(800) 232-5952 (TDD for persons with hearing impairments)

Office Hours: 8 a.m. – 11 p.m. Monday through Friday (Eastern Standard Time)
8 a.m. – 6 p.m. Saturday (EST)

Quality Care Service Is There For You

Ford Motor Company stands committed with our dealerships to assist you with all of your automotive needs. This means that you will receive Quality Care Service throughout your entire ownership experience. We regret any inconvenience caused by this program and hope that you enjoy the enhanced capabilities of your front passenger seat.

F-Series trucks may conquer some pretty rough terrain, but with the comfortable seats inside, every journey is an easy ride. And because power and heat options are sure to make you and your passengers feel that much more at ease, please contact your dealership as soon as possible so that we can put your seats "on the right track" to ultimate comfort.
