REFERENCES: Dealer Announcement dated 12/17/98, Lincoln Commitment Special Handling Procedure (Attachment IV)

AFFECTED VEHICLES

Certain 2000 model year Lincoln Navigator vehicles equipped with the Navigation System built from November 23, 1999 through December 14, 1999.

REASON FOR PROGRAM

In some of the affected vehicles, a software 'bug' will cause the navigation system to either lock-up, or become inoperative. This condition occurs most often during the navigation system demonstration at vehicle delivery, but may occur after the customer enters a destination at some later date. Additionally, upgraded version 1.1 software has been released which contains several enhancements, such as a scrolling map feature and improved screen graphics.

Note: Vehicles not affected by this program were manufactured with version 1.1 software and thus do not require this upgrade.

SERVICE ACTION

Customers who have already taken delivery of their Navigator will be contacted by the Lincoln Customer Assistance Center (LCAC) and offered the option of performing the software upgrade themselves, or returning to the dealer to have it installed.

In cases where the customer requests that a dealership perform the upgrade, the LCAC will call the dealer and provide the affected VIN and necessary customer contact information. In this instance, the dealer should call the customer and set up an appointment for the repair. LCAC will arrange overnight shipment of CD-ROM software upgrade and instructions to the dealer. This software is NOT vehicle specific, and can be used to update any number of affected vehicles.

SERVICE ACTION (Continued)

Dealers may also be contacted by the LCAC to verify that units affected by this Program are in-stock and will also confirm dealership mailing address and contact point. Dealers will receive via overnight mail, the Program information, CD-ROM software upgrade for version 1.1, and instructions for upgrading stock units. All in-stock units affected by this program must receive the upgrade prior to vehicle delivery.

LINCOLN COMMITMENT SPECIAL HANDLING PROCEDURE

The Lincoln Commitment Special Handling Procedure has been activated for all Navigator owners affected by this recall. Please see dealer announcement dated 12/17/98, Lincoln Commitment Special Handling Procedure (Attachment IV). The special handling procedure provides additional allowance to enable dealers to offer Lincoln owners convenient vehicle handling.

Lincoln Mercury is asking for your support and the cooperation of your sales and service teams to make this a positive experience for our Navigator customers, many of whom are new to the Lincoln family.

OASIS

You must use OASIS to determine if a vehicle is eligible for this Program.

PLEASE NOTE

Correct all vehicles in stock before delivery.

PROMPTLY CORRECT

VIN listing will not be provided for this program. Dealers will be contacted by the Lincoln Customer Assistance Center and advised of affected units.

DEALER-OWNER CONTACT

In this program, the customer selects the dealership to perform the upgrade (after declining the opportunity to do the upgrade themselves). The LCAC will give you the necessary customer contact information to permit you to schedule a repair appointment. You are requested to contact the owner and arrange for this service. Please note that LCAC will advise owners that they will hear from you within the next two business days.

Note: Navigator owners should receive the "Lincoln Commitment Special Handling Procedure". Before calling Navigator owners, review Attachment IV to familiarize yourself with this special handling procedure.

CLAIMS PREPARATION AND SUBMISSION

- Enter claims using DWE.
- Refer to ACESII Manual for claims preparation and submission information.
- To claim for the "Lincoln Commitment Special Handling", follow the instructions on page two of Attachment IV.

RENTAL CARS

Rental vehicles are approved for this program.

PARTS REQUIREMENTS

Parts Ordering Information

- Depending on the customer's preference, the software upgrade CD-ROM and installation instructions will be direct shipped to either the dealer or directly to the customer at no cost.

- A single CD-ROM can be used to upgrade any quantity of affected vehicles. This upgrade CD-ROM software is not in the Ford parts system and therefore has no Ford part number.

- Less than 200 vehicles are affected in this Owner Notification Program. You shouldn't need to order any additional CDs, however we have a limited supply for emergency purposes only. These can be obtained by calling the Recall Hotline at 1-800-325-5621.

Subject: Announcing Lincoln Commitment Special Customer Handling Procedure for Certain Recalls and Owner Notification Programs

As part of our ongoing commitment to Lincoln customers, we are pleased to announce the Lincoln Commitment Special Customer Handling Procedure to provide additional dealer compensation for certain Recalls and Owner Notification Programs(ONP's) that affect Lincoln brand vehicles.

This additional compensation is being provided to allow dealers to provide personalized service designed to make the recall repair a positive experience for the Lincoln customer, many of whom are new to the Lincoln family.

Each Recall/ONP Bulletin affecting Lincoln vehicles will indicate whether the Lincoln Commitment Special Customer Handling Procedure is authorized; please note that not every Recall/ONP will qualify for this procedure and that the procedure will not be communicated to customers as a normal benefit of the Lincoln Commitment Program. Special handling and claiming instructions are included on the attached page. This program will apply only to Lincoln vehicles which have been delivered to customers.

We ask you to make maximum usage of these special enhancements to the Lincoln Commitment Program when applicable. Thank you in advance for your support of this program and our commitment to surprise and delight our Lincoln customers.
